Our Mission: To Christianize Environments and Develop Lay Leadership

FAREWELL FROM THE CHAIR

It has been an honor and a pleasure to serve the last three years on your Secretariat and for the last two years as the Chair. I want to thank everyone who was willing to run this fall for the Secretariat. We had seven lay people running for three positions. Those whose terms will begin in January are: Pat McBride, Richard Wilkerson and Judy Potter. Joining the Secretariat in a clergy position is The Rev. Josh Acton. Mike Orcutt will begin his term as Chair in January. Welcome aboard to all the new members of our Secretariat and again, my heart felt thanks to all of you who said "Yes" to the call.

I also want to take this opportunity to thank everybody who has served on the Secretariat and has made my job easier. Especially those who are leaving the Secretariat: Babs Tally, who has been the Vice-Chair; Jim Merriken, who has been the Liaison for Grouping and to my wife, Anne, who has served as the Secretary for three years. It has been wonderful having a Live-in Secretary these past two years. Fr. Tom Bond is staying on as our Spiritual Director and JoAn Taylor will continue as our Treasurer.

As I reflect on the past two years, one of the major highlights has been the writing and implementing of a new Pastoral Plan for the Cursillo Community, working in conjunction with our Bishop. He has asked us to strive to bring the post-Vocare age group into the Cursillo Community. We are now working more closely with their leadership to make them feel more welcome and to let them know that they are needed. The Pastoral Plan will be printed in the next issue of the *Forward*.

The Servant Community has been a vital part of our ministry. They are the hands and feet of the Secretariat - putting into action the plans made at our Secretariat meetings. They are the people who worked to

make our web-site a reality, to put our Weekend books onto disc, to put together our Parish Rep Handbook, to plan our Spiritual Direction Workshops and Episcopal Cursillo Leaders Workshops (ECLW). Plan now to attend the next ECLW, which will be held at Camp Stevens the end of February. This weekend is put on by our National Episcopal Cursillo Committee. The presenters come from around the country. One of the presenters will be Robin Dow who was named Outstanding High School Teacher of the Year in Mississippi. He alone is worth attending the weekend.

There is still much to do, so look for some changes. As some of us from the Diocese attend the National Episcopal Cursillo Seminars we come back with ideas from around the country. Ideas to take what we are now doing and change things a bit to make it work better and to make it easier for others from around the Diocese to be more active. There is always room for growing, maturing and learning.

With heart felt thanks and love,

Ultreya!

John Wiser

FROM THE SPIRITUAL DIRECTOR

Ten weeks have passed since the tragedy of September 11. Newspaper editorials, commentators, and everyday people are still asking, "Where was God?". Ever notice that when good things happen no one seems to be asking that question? The answer, of course, is that God is always there, whether good or bad things are happening to us. That simple assertion somehow seems to need fleshing out. What does it mean to say that "God is there"? Recently someone forwarded via e-mail an anonymous piece which made that truth very vivid to me in word pictures. It's entitled "Meet Me in the Stairwell". Some of you may have already seen it. I share it with you:

MEET ME IN THE STAIRWELL

"You say you will never forget where you were when you heard the news on September 11, 2001. Neither will I.

I was on the 110th floor in a smoke filled room with a man who called his wife to say 'Good-by'. I held his finger steady as he dialed. I gave him the peace to say, 'Honey, I am not going to make it, but it's OK. I am ready to go.' I was with his wife when he called as she fed breakfast to their children. I heard her as she tried to understand his words and as she realized he wasn't coming home that night.

I was in the stairwell of the 23rd floor when a woman cried out to me for help. 'I have been knocking on the door of your heart for 50 years!' I said. 'Of course I will show you the way home---only believe on me now.'

I was at the base of the building with the priest ministering to the injured and devastated souls. He heard my voice and answered. I took him home to tend to his flock in heaven.

I was on all four of those planes, in every seat, with every prayer. I was with the crew as they were overtaken. I was in the very hearts of the believers there, comforting and reassuring them that their faith has saved them.

I was in Texas, Kansas, London. I was standing next to you when you heard the terrible news. Did you sense me? I want you to know that I saw every face. I knew every name, though not all know me.

Some met me for the first time on the 86th floor. Some sought me with their last breath. Some couldn't hear me calling to them through the smoke and flames: 'Come to me...this way...take my hand.' Some chose, for the final time, to ignore me. But I was there.

I did not place you in the Tower that day. You may not know why, but I do. However, if you were there in that explosive moment in time, would you have reached for me?

September 11, 2001 was not the end of the journey for you. But someday your journey will end. And I will be there for you as well. Seek me now while I may be found. Then, at any moment, you will know you are 'ready to go'.

I will be in the stairwell of your final moments.

God"

SPANISH CURSILLOS 25 & 26

Now that we just celebrated the Cursillos 25 and 26, I would like to make a few comments regarding them. I have heard the opinion of several cursillistas, who believe that these ones have been the best. I agree based on the following circumstance: First, we had twelve candidates, and *twelve* were the disciples of the Lord.

This special weekend, three candidates traveled from El Salvador; two of them were ordained ministers and one the clerk of a congregation. They came from abroad as the three Magi of the Christian tradition, who followed the Star of Bethlehem looking for the newborn High Priest and King of kings. These distinguished candidates were assigned to three different tables where they shared their faith, enthusiasm, and particular experiences.

This Cursillo was lived as a unique experience. The face of every candidate reflected gladness and satisfaction while the rollos were delivered. It was the Spirit of God moving the hearts and souls of everybody. These twelve candidates realized what a Cursillo weekend is all about: a real experience with the Creator of Heavens and Earth.

Food and music were also a unique experience. Day by day, hour-by-hour, the kitchen's leader and workers served the candidates with devotion and cordiality. We were like the apostles of a new age seated and eating around the Master and Lord. The cooks offered many palancas, which joined others received from our community and other states, putting in every task their own heart along with their prayers. The food was good, tasty, and healthy, made in a fellowship environment. We were really blessed during the meals.

The last day of the Cursillo, these men of God testified that they had had the most wonderful spiritual experience they could ever imagine. The three candidates of El Salvador went back to their country with plans to start the Cursillo movement.

I want to thank Mrs. Barbara McBride and all the members of the Secretariat, who made possible that this Cursillo be successfully accomplished. I also would like to mention that the women's Cursillo 26 was a beautiful experience for the eighteen candidates and the fifty-four worker team who attended it. I want to give special recognition to our new Deacon Manuel Munoz for his participation and sharing of his teaching experience. He was well prepared and always ready for any action and the deliverance of the gospel of our Lord Jesus-

Christ. I am fortunate to have him as my friend.

The rollo room was filled with active participants, the food was great, and the team who prepared it well coordinated. They were very active and willing to do whatever was necessary. The camp area was well covered and clean. The main message during the cursillo was about deliverance. During the closing service, everybody could feel the Spirit of God acting over candidates, workers, and spiritual leaders. Everything was marvelous. I want to thank God for this gratifying spiritual experience.

FROM AN 'OLD' RECTORA

Trust in the Lord with all your heart and lean not on your own understanding. Proverbs 3:5

On behalf of the newest members of our San Diego Cursillo Community and the team that served them on Cursillo #102, I want to thank the rest of the Cursillo Community for their prayers and their support.

We had a spirit and joy filled time. . . . I found myself speechless on more than one occasion during the weekend as I watched Jesus and the Holy Spirit at work. We truly have an awesome God.

As a team we desired to listen and serve Jesus as HE wanted us to do; we came home blessed beyond measure. I can only imagine the joy that God feels when He sees us do the work He has given us to do as I watched a team move as one in love and service of God. I can just see Him saying "Well done, my good and faithful servants."

As a community we need to encourage our newest members to get into groups. That is an important part of the sponsorship responsibility.

On a more personal note, I want to thank all of you for your prayers and encouragement.

De Colores and Ultreya.

NATIONAL EPISCOPAL CURSILLO SEMINAR 2001

As we prepare to host the Seminar here in San Diego in 2003, I reflect upon the one just completed at the Camp Allen Conference Center near Houston. In attendance from our Diocese at Camp Allen were John and Anne Wiser and Harry and Ann Packard as well as myself. We each felt the presence of the Holy Spirit throughout our time there and came away refreshed and renewed. At a dinner party the other evening a close Cursillo friend asked me what the purpose of the Seminar was, what did I really get out of it. I told her the education aspects were the most important to me. They broadened my horizons and helped me get a better understanding of the Movement and how it is affecting the lives of people not just in the United States but all over the world. When followed, the Movement brings people to Christ, of that I am absolutely sure. Seminars also show me what not to do, what can go wrong in a Cursillo Community. If we become too focused on Three Day Weekends and neglect Pre-Cursillo and the 4th Day aspects, including Group Reunions, Ultreyas, and the raising up of new leaders, the Movement in our Community will surely die. It's as simple as that! There is one more aspect that I forgot to mention to her. This is that our National By-Laws require periodic plenary sessions where delegates from all Dioceses in good standing need to be able to give voice and vote on any policy changes.

When we host the Seminar in October of 2003, our Fall Cursillo Weekends will not be held so that we all can focus on the Seminar itself. We are in the process of forming a Host Committee right now who will work with our Servant Community in making the necessary early preparations. If you feel called to be part of this endeavor, please let me know. My pager number is always good: (619) 525-9322. We hope as many as possible from our Diocese will be able to attend next year's Seminar in Seattle from Thursday 24 October through Sunday 27 October. There the Keynote Address will be by the Rt. Rev. Katharine Jefferts Schori, the new Bishop of Nevada, a strong Cursillo supporter, and, as far as I know, our first ever woman Keynoter. Ultreya!

In Christ,
Ned Kellogg+

FROM THE RECTOR – CURSILLO #103

Calling all fishermen. Let it be known that all fishermen are being called forth for the great gathering at Camp Stevens in April, '02. OK all you fishermen, we are making our plans and gathering our tackle for the upcoming weekend of April 18th through the 21st.

As you may have guessed, I am a fisherman and I could think of no better theme but that which is found in both Matthew and Mark "*Come, follow me*" *Jesus said, "and I will make you fishers of men."*

The Rev. Tom Bond has consented to be the Spiritual Leader of the weekend and Stew Dadmun, who was my rector nine years ago, will be our guiding (old) rector. Stay the course for further developments coming in the next issue of the *Forward*.

Included in this issue are work applications; please, if you are considering working, fill out application completely and mail to me or to Anne **before February 15th. Don't put it off!**

In Christ's Love, John Wiser

FROM THE RectorA – CURSILLO #104

"Every knee shall bow and every tongue confess,
that Jesus Christ is Lord".

This is the theme for the Women's weekend. We often hear what a humbling experience it is to be chosen Rectora. That is so true. I am still in awe and am numb with the reality. This is a role I truly never thought I would be asked to fill. God had other ideas. I made my Cursillo in Minnesota in 1976. I worked many Episcopal Weekends there and helped start the Lutheran Cursillo Weekends, worked several of them around the state and helped to start the United Emmaus Weekends in Minnesota before moving to Arizona.

Madre Patricia has graciously agreed to be our head Spiritual advisor. Eileen Pierce is my Experienced Rectora.

The Women's Weekend is April 25-28, 2002. The Core team is still in the forming stage. Team meetings have been scheduled for March 16, March 23, April 6 and April 13 at St. Alban's in El Cajon. Gather at 8:30 AM and we should end by 3:00 PM.

I ask your prayers for the team as it forms. Begin now to pray for the candidates and for wisdom and insight for those who will be sponsoring people to come to Cursillo. As the theme suggests...the focus of the weekend will be on Jesus, His Holiness, His Majesty...for He IS Lord!

EPISCOPAL CURSILLO LEADERS WORKSHOP

What are we doing right? What can we do to improve our Cursillo Movement? Why not be as outstanding as possible, as a Cursillo Leader in our Community?

The opportunity to attend an ECLW right here in our own diocese comes about, only at the very most, once every three years. Four Lay and Clergy individuals from the national level teach this workshop. Have you ever thought that you might be asked to be a Parish Representative, an Assistant Rector/a, Head Cocinero/a, a Rector/a, or sit on the Secretariat and wonder if you know the correct way things ought to be done? Trust me, you will be asked to do these tasks if you remain active in Cursillo.

What will we do on this weekend? We will be in a table family, we will hear talks, we will sing, we will celebrate Eucharist, and we will meet others to discuss how they do things. It is a workshop and we will have fun doing the Lord's work.

Take advantage of this opportunity and sign up with the form provided below. If you have any questions please give me a call at 760-432-8518.

Cursillos in Christianity
Episcopal Diocese of San Diego
To Christianize Environments and Develop Lay Leadership for the Episcopal Church

CANDIDATE APPLICATION

CURSILLO is Spanish for short course in Christian living. The 'short course' consists of a Three-day Weekend and a separate "Fourth Day". A team of laity and clergy present the fundamental principles of Christian living through a series of talks and meditations.

Your sponsor believes you have leadership qualities, and have the potential to change your environments for Christ. The weekend is designed to provide leadership training while reaffirming your commitment to the Lord Jesus Christ. After the weekend, there is a continuing program in which you are encouraged to participate.

Since both this weekend and the subsequent involvement are demanding, we ask you to pray seriously about your application before you submit it. Acceptance is not automatic for a specific weekend, but will be prayerfully considered. Once the Pre-Cursillo committee determines the candidate's participation in the upcoming weekend will be beneficial, the candidate will receive notice of acceptance. If your application is accepted, but you are unable to attend the designated weekend, your application will remain active for two upcoming weekends.

In order to gain the most from the weekend, you should be in the best possible spiritual, emotional and physical condition.

Husband and wife should apply at the same time. HUSBAND MAKES CURSILLO FIRST, and the wife makes hers one week later.

Your name and application will be submitted by a sponsor.

OUR GOLF CART

For several years, the Secretariat has authorized the rental of a golf cart for use during the weekends at Camp Stevens to provide transportation for those with difficulty moving about the hilly areas. The cost of renting a golf cart for the four weekends in 2001 was almost \$700.

We have recently received an electric golf cart as a donation from Carl & Josie Scacchetti

of Las Vegas who heard about our need. Although used, our 'new' golf cart is in good condition and should serve us well for quite some time. Many thanks to Shell Pierce for driving to Las Vegas with his own trailer to pick up the cart and bring it to San Diego.

We are now in need of a trailer to transport the golf cart back and forth to Camp Stevens and a tarp to cover it from the elements when not in use. If you would like to donate towards these articles, please contact Mike Orcutt at (619) 482-0294 or email: msorcutt@home.com.

Look for the next Forward in mid-February, with team development details. Articles, calendar events and other materials are due *no later than January 28th*.
