## Cursillo in the Episcopal Diocese of San Diego

Volume VII

June 2002

*Our Mission: To Christianize Environments and Develop Lay Leadership*

---

### FROM THE CHAIR – JUNE 2002

Let me begin by extending a warm welcome to the new Cursillistas from Cursillos 103 and 104. Your excitement for the Lord was clearly evident at the Fourth Day program held at St. Alban's on May 4<sup>th</sup>. I am energized by the fellowship of Christians who are excited about their lives in Christ. It is that kind of positive energy that changes environments; it is the radiant light of Christ that overcomes the darkness of the world.

I'm sure most have heard the analogy of the burning coal that when removed from the fire loses its glow and when placed back into the fire begins to glow again. It is in the Christian community that we are sustained in our journey with the Lord. The two most important tools we have available are Grouping and Ultreya. It is in our weekly group that we are held accountable to live a life of piety, study, and action. Regular Ultreyas are the places where we are encouraged by the witnesses of those around us.

I certainly hope and pray that all this sounds familiar to you because it is the essence of the Cursillo movement. The purpose of Cursillo is to equip Christians to live out their Fourth Day by changing their environments (home, Church, and work) for Christ. That is how we measure the success of the movement, not by conducting fantastic weekend retreats.

Are you actively involved in your local parish? If not, I encourage you to find a ministry that complements your spiritual gifts. Cursillo does not exist to siphon off talent from the local parishes; quite the contrary. Cursillo should energize the ministries of the local parishes with fresh Christian leadership.

Above and beyond your ministry in the Church, we need your help in the Cursillo movement. There are many different committees where you can serve. If you would like to be involved, please call me or anyone on the Secretariat. We will find a place where your God given talents can be used to serve the kingdom.

The Servant Community is the sum total of all the committees. *Come join us when we meet on June 8 (9 AM to noon) at Church of the Good Samaritan, University City.*

Ultreya,

Mike Orcutt

## SERVANTS

The recreation and the revival of the Cursillo Servant Community is a cause for great rejoicing, especially among the members of the Diocesan Secretariat! I consider it a rediscovery that "We are pilgrims on a journey, we are travelers on the road; we are here to help each other walk the mile and bear the load".

Jesus teaches us that servanthood is among the greatest expressions of love. Mother Teresa said it this way: *"Love cannot remain by itself--it has no meaning. Love has to be put into action and that action is service. How do we put the love for God in action? By being faithful to our family, to the duties that God has entrusted to us. Whatever form we are, able or disabled, rich or poor, it is not how much we do but how much love we put in the doing---a lifelong sharing of love with others."*

The following prayer expresses beautifully the spirit of her community, the Missionaries of Charity. To me, it also captures the essence of the Cursillo Community.

*"Dear Jesus, Help us to spread your fragrance everywhere we go. Flood our souls with your spirit and life. Penetrate and possess our whole being so utterly that our lives may only be a radiance of yours. Shine through us and be so in us that every soul we come in contact with may feel your presence in our soul. Let them look up and see no longer us but only Jesus. Stay with us and then we shall begin to shine as you shine, so to shine as to be the light to others. The light, O Jesus, will be all from you. None of it will be ours. It will be you shining on others through us. Let us thus praise you in the way you love best by shining on those around us. Let us preach you without preaching; not by words, but by our example, by the catching force, the sympathetic influence of what we do, the evident fullness of the love our hearts bear to you."*

"When we sing to God in heaven,  
We shall find such harmony  
Born of all we've known together,  
Of Christ's love and agony".

## CAMP STEVENS IS 50!

2002 marks the 50<sup>th</sup> anniversary of the founding of Camp Stevens on its beautiful site near Julian. Everyone is invited to join in a joyous celebration at Camp Stevens on Saturday, August 24<sup>th</sup> from 11:00 a.m. to 4:00 p.m. The party will begin with a festival Eucharist that includes several anthems sung by the children in the annual Choir and Drama Camp. The celebration promises to be a fun-filled day with displays on the past five decades of the history of Camp Stevens, a buffet lunch, walks in the woods, swimming and games.

The festivities will conclude with a special program featuring Bishops Gethin Hughes and Robert Woltorstorff of San Diego and Jon Bruno of Los Angeles. Bus transportation will be available from Anaheim, Corona, Los Angeles and San Diego. For reservations and more information please contact Camp Stevens at P. O. Box 2320, Julian, CA 29036; 760/765-0028 or [info@campstevens.org](mailto:info@campstevens.org).

Camp Stevens is gathering photos and memories from the past 50 years for the anniversary displays. If you have a story and/or photo of your experience at Camp Stevens, please mail or email them to Lora Allison, 27889 Camino Del Rio, San Juan Capistrano, CA 92675; [lora.allison@smes.org](mailto:lora.allison@smes.org). You can visit the Camp's website at [www.campstevens.org](http://www.campstevens.org)

The present site of Camp Stevens was purchased in 1952 by two visionary clergymen, Revs. Jack Lax and C. Boone Sadler, representing the San Diego Convocation. It eventually became the official diocesan camp of the Diocese of Los Angeles, which, at that time, included what is now the San Diego Diocese.

For 50 years Camp Stevens has been serving young people, families and adults in a "peaceful place apart". Programs have expanded from a few weeks of summer camp to a year-round camp and conference center with programs for all ages. It is a Jubilee Center of the National Episcopal Church with an emphasis on environmental stewardship.

Over this half-century so many have given so much to sustain and strengthen the mission and ministry of this "place apart". Please join in celebrating their accomplishments, rejoicing in what Camp Stevens is, and together committing to build on the foundations laid by all the others who came before.

## "A SOUL IS PRECIOUS"

This is a true story of how God intervened in a person's life to show His love and grace by using an unsuspecting, but available witness.

I am not a very sentimental person, but every now and then I happen to notice and appreciate the beauty God provides us through nature. One morning as I walked out the door heading for work early one morning. I noticed a rose bud at eye level. It was sparkling with dew in the early morning sunlight, and it was beautiful. I could not resist sharing this prize of beauty with someone, in fact I thought a lot of people should see this rose, so I cut it and carefully rapped in a moist towel and tinfoil. I took it to work with me to show everyone.

After arriving at work I realized putting it on my desk would not be very beneficial, because not many people would see it. Suddenly I realized that our receptionist was leaving us in order to move to Oregon and take care of her mother who had Alzheimer's. She was very sad about leaving, but she had decided that there was no one else to take care of her. Since she was leaving at the end of the day, because she was sad, and because she was the receptionist (this made her the obvious person to receive the rose). It could be displayed to everyone who walked by, and it was a nice little thought. I was so proud of myself for being so clever, but I also remember thinking it was just luck, because this was really out of character for me.

I put the rose on her desk and thought that it should be anonymous, mainly because this was not really my idea, but just a lucky set of circumstances, but I thought it would be nice to tell her she would be missed and that she was doing a good thing, so I decided to write a little note to go along with the rose. I opened up my text processor and began to write:

Dear Brenda,

This is your last day with us and we just want to thank you for all of your hard work and support you have given us this past year. You will be missed, but we know that you are doing the right thing and we admire you for doing it. It may be difficult for you at times, but we hope you can be comforted in knowing that what you do is a gift of love.

This rose is a Peace rose and it reminds me of a scripture passage that may help you during the time you spend with your mother. It is John 14:27 and is: "Peace I leave with you; my peace I give to you; not as the world gives do I give to you. Let not your hearts be troubled, neither let them be

afraid." I hope that you find that peace that passes all understanding as you care for your mom and give her your gift of love.

From those who care

Now I was really proud of myself for being so clever and thoughtful, even if it was purely accidental. I placed the note with the rose and promptly forgot about the whole thing.

About three years after this event I was working in my office one day when there was a knock on the door. There stood this person who looked vaguely familiar, but I couldn't place her right away. She came in and gave me a big hug and said she just wanted to thank me for leading her to Christ. I was totally lost at this point, because I would have thought that if I had led anyone to Christ I certainly would remember them. As she told me about the rose and her last day at work I realized who she was and my role in her conversion.

Brenda began reading the Holy Bible when she arrived in Oregon, because of the note. It had led her to a relationship with Christ. Her mother was now deceased, but she knew her mother was with the Lord and that she was a growing and loving Christian. It was amazing to me and very humbling that God had used me in my ignorance to introduce someone to our Lord without my conscious effort. This was additional proof to me that God is in charge and He will use us if we make ourselves available. A single soul is very precious to Him and he will use us to bring others to Him if only we are available.

I hope as you read this story you could see how God can work through you as His witness.

## **THE DENNIS FOWLE MEMORIAL SCHOLARSHIP FUND**

The Dennis Fowle Memorial Scholarship Fund was established following his death in 1998. His wife, Connie, and his four children, Christopher, Andrew, Timothy and Jessica, could think of no better way to use the gracious and generous gifts sent to the family at that time. Dennis strived to have his children comprehend the value of an education and hard work; this ethic is so instilled in them that they want it to be valued and remembered.

One five hundred dollar scholarship will be awarded at the end of September. An application for that scholarship is enclosed in this newsletter.

To be eligible for the award a student must be:

1. The child or grandchild of a member of the San Diego Episcopal Diocese Cursillo Community.
2. Be currently enrolled in a vocational, community or 4-year college.
3. Have completed the first full year of their study program.
4. Meet the financial and scholastic requirements.

Applications need to be received by August 15, 2002. They should be mailed to The Dennis Fowle Memorial Scholarship Committee, 2728 Sixth Avenue, San Diego, CA 92103.

The Year 2002 selection committee members are: Connie Fowle, Ted Parsons and Jessica Fowle.

## SPONSORSHIP

The next set of weekends may seem like a long way off but it is not too early to consider sponsoring somebody to Cursillo. I say that it is not too early because so much thought and prayer needs to go into sponsorship. You need to ask yourselves the following questions:

First, whom should you sponsor?

Is your prospective candidate a practicing Christian? Is your candidate searching for ways to live his/her life more effectively for Christ? Is the candidate a leader or potential leader in the ministry of the Church? Is he/she an Episcopalian? And is he/she physically and emotionally able to fully participate in the whole Weekend?

Second, what have you already done for your candidate?

Have you spoken to God about whom you should sponsor? Have you listened for His reply? Have you spoken to your Rector or Vicar about your candidate? Have you actually *been* a friend to your candidate? Remember: First, Make a friend; Then, Be a friend; and Finally, Bring your friend to Christ. Have you discussed Group Reunion with your candidate? Have you talked to him/her about Ultreya? Have you brought him/her to a Group Reunion or Ultreya? Have you told your candidate everything he/she needs to know about the weekend? Is your candidate able to participate in the 4<sup>th</sup> Day program?

For the weekend you need to commit to:

- Praying/fasting for your candidate.
- Sacrificing for them.
- Helping to arrange for the care of family, pets, and plants during the weekend.
- Writing palanca notes for your candidate about the prayer and fasting taking place for them.
- Getting his/her friends and family to write palanca notes.
- Arranging to take your candidate to the weekend.
- Don't just drop them at the door. Take them up to the dining hall and introduce them to those you know. Stay there until the sponsors are asked to leave. Remember how you felt when your sponsor left on Thursday night.

During the weekend remember to:

- Pray/fast
- Sacrifice
- Attend Mananitas and the Closing Service and take him/her home.

Your candidate is now a Cursillista. Your job is not done with taking him/her home following the weekend. After the weekend you will need to:

- Contact him/her soon after the weekend.
- Accompany him/her to the 4th Day program
- Make sure he/she gets into a Group Reunion
- Take him/her to an Ultreya

Sponsorship is a commitment of support to the Cursillista long after the 3-Day Weekend. Seem like a big job? It is. That's why this article is so important. We need to be reminded that Sponsorship is a vital part of Cursillo. A good sponsor can make all of the difference in a person's 4th day. So pray about sponsoring. Pray about whom you should sponsor. Pray about IF you should sponsor. Then if God gives the go-ahead, go out and speak to your friend about Cursillo.

Ultreya!

## FROM THE RECTOR - CURSILLO #105

Cursillo men, please mark your calendars for the third weekend of October, 2002 (17-20) for Cursillo #105. Now is the time to get your work applications in and/or to seriously consider sponsoring candidates. Next year, I understand that we will have only one men's weekend rather than the usual two per year! Getting candidates into a weekend now is vital to our movement! In my humble opinion working a weekend is even more uplifting.

When I begin to pray, I usually recall one gospel hymn that I've heard since I was a small boy. My dad sang it from memory and the family accompanied him with guitars, pianos, violins, and what instruments and voices were immediately available. Since our Cursillo runs on prayer, I thought it was fitting to make that old song, "Just a Closer Walk with Thee" the theme of our weekend. After all, isn't that what we all try to do during a weekend. Whether you are on the team or a candidate, we offer one another the opportunity to continue and grow in our own walk with the Lord! "He has showed you, O man, what is good; and what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God." Micah 6:8.

Planning is well underway for the weekend. Fr. George Calvert will be the Spiritual Leader. Leo Brendis (My fellow Cursillo #77 alumnus) will be our Experienced (old) Rector. Please pray for the team as it forms. Pray for sponsors. Pray for candidates. And if you are called, just say, "Here I am Lord. Send me!"

Ultreya, Jerry Webb

## From a pair of "Old Rec's"

Ultreya! Welcome to our newest Cursillistas. It was a pleasure and an honor to be the Rector and Rectora of the Spring Weekends. While the weekends are over — the glow has not diminished. We still feel refreshed and feel the love and support of our community.

The theme of the Men's Weekend was - "Come follow me and I will make you fisher's of men". It was a spirit filled, spirited weekend. We trust that the fishing crew is out there fishing for Christ.

The theme for the Women's Weekend, "Every knee shall bow and every tongue confess that Jesus Christ is Lord" proved to be a weekend where you felt the tenderness and gentleness of God's love.

Thank you to all who were willing to join the "fishing teams". It was a fun time and we love you all.

In His Service,

John and Anne Wisner

## AND THE RECTORA-CURSILLO #106

Wow, I'm thrilled, honored, excited... and still in a state of shock! What an incredible privilege it is to be asked to serve our Lord in this capacity, and I am grateful to each and every one of you who have chosen to serve with me. There is still plenty of room on the team, so please prayerfully consider joining us. It is very rewarding work!

The theme for the weekend is, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life", which is found in John 8: 12. It is only when we see the light of Jesus that we truly have life. He is our beacon, our hope, and our salvation. My prayer is that each and every one of us allows the light of Christ to shine through us, so that others may seek life through Him. Let your light shine!

Petra Orta

**Cursillos in Christianity**  
**Episcopal Diocese of San Diego**  
To Christianize Environments and Develop Lay Leadership for the Episcopal Church

## **CANDIDATE APPLICATION**

**CURSILLO** is Spanish for short course in Christian living. The 'short course' consists of a Three-day Weekend and a separate "Fourth Day". A team of laity and clergy present the fundamental principles of Christian living through a series of talks and meditations.

Your sponsor believes you have leadership qualities, and have the potential to change your environments for Christ. The weekend is designed to provide leadership training while reaffirming your commitment to the Lord Jesus Christ. After the weekend, there is a continuing program in which you are encouraged to participate.

Since both this weekend and the subsequent involvement are demanding, we ask you to pray seriously about your application before you submit it. Acceptance is not automatic for a specific weekend, but will be prayerfully considered. Once the Pre-Cursillo committee determines the candidate's participation in the upcoming weekend will be beneficial, the candidate will receive notice of acceptance. If your application is accepted, but you are unable to attend the designated weekend, your application will remain active for two upcoming weekends.

In order to gain the most from the weekend, you should be in the best possible spiritual, emotional and physical condition.

Husband and wife should apply at the same time. HUSBAND MAKES CURSILLO FIRST, and the wife makes hers one week later.

Your name and application will be submitted by a sponsor.
