## Cursillo in the Episcopal Diocese of San Diego

Volume IX

June 2004

*Our Mission: To Christianize Environments and Develop Lay Leadership*

---

### THE 2004 SECRETARIAT

Hello all,

As some of you may have noticed, we had another pair of excellent weekends this past April. For those of you who made your first weekend, you have just experienced one of the special programs of the diocese (of course I am biased). By this point, more than a month has past since the weekends. You should be in a group or be actively looking for a group with the help of your sponsor. If your sponsors have not helped you get into a group and you are still looking, ask them about it. If that doesn't work, call me. I'll dispatch the Cursillo thugs to have a chat with them (in a firm but loving way). In any case, I would urge you to attempt to work a Three-Day Weekend within the next year. It will balance out the Cursillo experience for you. Where on your first weekend you were served; on any of your subsequent weekends you will serve. Where on your first weekend you were talked at for hours on end; on your first weekend serving you will be given the opportunity to pray for hours on end.

For some housekeeping, this is the **Forward**. It is a bimonthly newsletter put out for the San Diego Diocese Cursillo community. You may have it delivered to your house (for a nominal \$10 donation) or received via the internet. To get it online, go to [www.sdcursillo.org](http://www.sdcursillo.org) and you will find the last several years of **Forwards** posted. Whenever a new issue is posted, an email reminder is sent out to all those that request it. If you wish to receive the notification, make sure that Dick Mette has your current email address. ([dickmette@cox.net](mailto:dickmette@cox.net))

As a final note, Bishop Hughes assembled a significant majority of renewal movements' leadership in his office for the first time of his tenure. This proved to be an interesting meeting as we were able to begin creating a framework under which we could begin working together in a more coordinated fashion. In addition, he strongly encouraged us all to be wary of becoming mired in the various theological debates, thus losing our focus and mission. As I've already spoken to this topic in the February issue of the Forward, I will not add any additional comments.

As Always, Ultreya!

## **The Church, the Community Created By the Holy Spirit**

It is so easy to forget that the church is not an institution created by human beings; it was created in one day, the day of Pentecost in 30 AD by the Holy Spirit—the birthday of the church. No one had ever seen a church before, but God the Holy Spirit gathered a diverse group of devout Jews from many nations in Jerusalem and made them into one community, one people by the miraculous work of the Holy Spirit. The Holy Spirit enabled them to speak and understand each other's languages, see Acts, Chapter 2. The Spirit gathered and formed them into the church. The church is the creation of the Holy Spirit.

So often we look around the church and see sinful and even eccentric human beings and we fail to see the miraculous work of the Spirit. We forget that the church began by a miracle of the Spirit and runs today by the Spirit's miracles. While we humans work in the church, most of the work is really being done by the Holy Spirit. We can trick ourselves into thinking that we are doing most of the work. If we are doing most of the work then the church will fail because all successful churches are open to the work of the Holy Spirit. It's the Spirit's working through the people, that's what is most important.

Let's look at some of the miracles of the Spirit in the church. First of all we see that the presence of Christ's resurrection is poured into the church by the Holy Spirit. If the Holy Spirit was not in the church then we would read about Jesus' resurrection in the New Testament as if it was just another story from ancient history. But the Holy Spirit is in the church, and we experience Christ's resurrection as a living reality today, that's the work of the Holy Spirit, that's a miracle. And because through the Spirit Christ's risen life is in the church, the church is the community of Christ on earth. The church is not just a community that remembers what Jesus did 2,000 years ago, the church in the power of the Spirit does today what Jesus did when He was on earth, heal the sick, forgive sins, preach the good news, and bring people into God's kingdom. Through the Holy Spirit the church is the community of Christ.

Now let's look at some more miracles of the Spirit in the church.

When the Bible is read, many people do not just hear the human words of an ancient text, they hear God speak to them through the text. The Holy Spirit turns the words of the text into the living

word of God for us today. This is a miracle! And only a miracle could enable us to hear God speak to us, to hear His true and living word.

Another means of the miraculous working of the Holy Spirit is the seven Sacraments. The Spirit comes to us through material things, for example through the waters of Baptism and through the bread and wine of communion. The Spirit works a miracle through the water of Baptism giving us the gift of membership in Christ's church. The Spirit works a miracle in the bread and wine of communion giving us the body and blood of Christ, a means to encounter the life of Christ. Each Sacrament involves the miraculous work of the Spirit through material things.

Yet another kind of miracle is the gifts of the Holy Spirit—the spiritual gifts given for ministry. Every Christian is given at least one spiritual gift, to be used in ministry for building up the church. Gifts of teaching, service, administration, healing, and hospitality are just a few examples. In the New Testament there are a total of 27 gifts listed, many of them are in three lists located in Romans 12, I Corinthians 12, and Ephesians 4. All these gifts operate in the church under the power of the Holy Spirit. It is a miracle that God raises up people to use these gifts to minister to other people. Most people would not do these things if left to their selfish inclinations. It is the Holy Spirit that leads and empowers us to share our gifts with others. And when these gifts are performed in the power of the Spirit everyone enjoys it. There is a blessing on the person using his or her gift as well as on the people receiving the gift.

In the church we are surrounded by the miracle of God's Word, the Sacraments and Spiritual Gifts. Everywhere you turn in the church there is a miracle of the Holy Spirit. It may be the person sitting next to you in the pew; it may be a miracle for that person to even be in the church. Everywhere the Holy Spirit is at work.

The church is not just a human institution, it is not our church, it is Christ's church and He is the one who sent the Holy Spirit on the Day of Pentecost to create it. And Jesus Christ still sends the Holy Spirit today to run His church. It is our job to be open to the work of the Spirit and co-operate with the Holy Spirit. Let us pray "Come Holy Spirit and do your miraculous work among us."

Your friend in Christ,

Father George

## THE SERVANT COMMUNITY

It has been said that the Secretariat is the "brains" of the Diocesan Cursillo Movement. The Servant Community is its heart. It functions in four important ways:

It is a growing community in Christ that is a witness to the larger community of what a Christian Community in Action can be.

It is a school to deepen the knowledge and commitment of already mature Cursillo Leaders in their Life in Grace and the Cursillo Method as these are related to a) The Diocesan Pastoral Plan worked out between the Bishop and the Secretariat and b) The needs of our Cursillo Community.

It is a source of ideas to the Secretariat about what will carry out the will of the Holy Spirit within our diocesan Cursillo Community.

It is a group of servant leaders who, under the direction of the Secretariat, carry out the tasks of the diocesan Cursillo Community within the diocese in order to build up the Body of Christ.

All of the functions of our diocesan Cursillo Community are divided into committees and subcommittees. Members self select the areas of activity which they feel called to serve. The full Servant community meets four times a year; on the second Saturday of the month, nine till noon in the sanctuary of the Church of the Good Samaritan in University City. There is music, a clergy and lay talk related to leadership within the community, grouping from the Leaders' Grouping Card, and meeting of the committees and subcommittees to discuss their accomplishments of the past three months and any suggestions they may have for the Secretariat. Before the meeting closes each group presents a summary of its meeting to the whole group. The full Servant Community decides on what will be presented to the Secretariat together with any recommendations it wishes the Secretariat to carry out.

A representative from the Servant Community carries the Servant Community recommendations to the Secretariat meeting that begins after lunch on the same Saturday. Secretariat members attending the earlier Servant Community meeting can comment on these recommendations.

Most of the business of the individual Servant Community committees and subcommittees takes place in person, by phone and by email in between the full Servant Community meetings. All Cursillistas who feel called to assist the mission of the Cursillo Movement in our diocese are welcome to attend Servant Community meetings and to participate fully in what happens there. For more information please contact Stew Dadmun, (619) 298-9670, 4319 Avalon Drive San Diego, CA 92103-1307, [sedadmun@att.net](mailto:sedadmun@att.net).

**Next meeting June 12, 9-12,  
Church of the Good Samaritan.**

## THE DENNIS FOWLE MEMORIAL SCHOLARSHIP FUND

The Dennis Fowle Memorial Scholarship Fund was established following his death in 1998. His wife, Connie, and his four children, Christopher, Andrew, Timothy and Jessica, could think of no better way to use the gracious and generous gifts sent to the family at that time. Dennis strived to have his children comprehend the value of an education and hard work; this ethic is so instilled in them that they want it to be valued and remembered.

One five hundred dollar scholarship will be awarded at the end of September. An application for that scholarship is enclosed in this newsletter. To be eligible for the award a student must be:

1. The child or grandchild of a member of the San Diego Episcopal Diocese Cursillo Community.
2. Be currently enrolled in a vocational, community or 4-year college.
3. Have completed the first full year of their study program.
4. Meet the financial and scholastic requirements.

The Year 2004 selection committee members are: Connie and Jessica Fowle & Ted Parsons.

## From the Rector, #111

## From the Rectora, #112

### **Corinthians 5:22 – “we are Ambassadors for Christ”**

I am so pleased, honored and excited to be chosen as Rector for this weekend, knowing that with all of our prayers and your assistance, Christ will work through us as Ambassadors and guide new Cursillistas to “Make a friend, be a friend, and bring a friend to Christ”.

Since my Cursillo weekend (#93) I have been called numerous times as Cocinera, Table Leader, Rollista, Music Leader, and Assistant Rector, stretching and learning with each new experience. My leadership positions at Saint Bartholomew’s include those in Vestry, LEM2, and choir.

I have now been called as Rector for this Cursillo weekend and am pleased to continue my roll as an Ambassador for Christ. I trust you will search your hearts and prayerfully consider if you are being called to work this weekend as well. The men’s Fall weekend starts Thursday October 21<sup>st</sup>. Team meetings are scheduled starting in mid-September.

If you believe that any of your friends are ready to continue their walk with Christ through Cursillo, I ask you to pray for Christ’s direction as you encourage them and prepare for your roll as sponsors.

In Christ’s Love,

Jim Macemon  
Rector, #111

### **...nor anything in all creation will be able to separate us from the love of God in Christ Jesus our Lord. Romans 8:39b**

That is the verse for the Women’s Fall Cursillo Weekend. It is very near and dear to my heart, because it serves as a reminder that God is always with us. I know this, yet, since I was asked to be the Rectora, I really feel the power of the verse.

For those of you who don’t know me I attend St. Margaret’s in Palm Desert. I’ve attended there for 7-8 years. I’m active with the youth programs of the church and school. I’m a member of the altar guild and choir. I am a member of the Order of Daughters of the King.

As I mentioned before, I have really felt the power of the verse, thanks to all the prayers. I know God is with me, I feel Him. He carries me through my day and guards me through the night. I feel peaceful, yet highly emotional. It’s almost like my feelings are heightened; everything is more intense.

I do ask all those who feel they may want to work this Cursillo Weekend to pray about it. There are many areas, which need assistance. You could work on the team, or as a Sunday Angel or as a prayer warrior from home. All positions need to be filled and God has just the right person in mind. So, pray and listen to what He has in store for you.

## *Cursillos in Christianity*

*Episcopal Diocese of San Diego*

To Christianize our environment and develop lay leaders for the Episcopal Church

### **CANDIDATE APPLICATION**

**CURSILLO** is Spanish for short course in Christian living. The Cursillo method uses a Three-Day Weekend and a separate "Fourth Day" (on a weekend shortly after the women's weekend). A team of laity and clergy will present the fundamental principles of Christian living through a series of talks and meditations.

Your sponsor believes you have leadership qualities and the potential to change your environments for Christ. The weekend is designed to provide leadership training while reaffirming your commitment to the Lord Jesus Christ. After the weekend, there is a continuing program in which you are encouraged to participate.

Since both this weekend and the subsequent involvement are demanding, we ask you to pray seriously about your application before you submit it. Acceptance is not automatic for a specific weekend, but will be prayerfully considered. Once the Pre-Cursillo committee determines the candidate's participation in the upcoming weekend will be beneficial, the candidate will receive notice of acceptance. If your application is accepted, but you are unable to attend the designated weekend, your application will remain active for two upcoming weekends.

In order to gain the most from the weekend, you should be in the best possible spiritual, emotional and physical condition. Cursillo is held at Camp Stevens near Julian, which is at 4,400 ft, and is situated on hills. The dining hall is up the hill from the sleeping area. If this presents a problem to you, please explain and we will try to accommodate you.

Husband and wife should apply at the same time. The husband goes to his Three-Day Weekend first, and the wife will attend her weekend one week later. Husbands and wives should complete separate applications.

*After completing the application, please give it to your sponsor who will submit it.*
